

Tues 8 Sept; **Where:** Parkville campus, 381 Royal Parade; **Info/registration:** www.pharm.monash.edu.au/futurestudents/undergraduate-seminar.html.

5. WHAT IS MONASH COLLEGE? It offers diploma courses which act as a pathway to about 60 Monash Uni. degrees. They are designed to prepare students for their destination degree. With smaller classes and extra study assistance a Monash College program provides preparation for university study. When successfully completed with the required grades, diplomas allow entry into 2nd year at the university. **Info:** www.monashcollege.edu.au.

6. QANTAS APPRENTICESHIPS - Qantas Engineering offers a variety of apprenticeships to enable people to train and become qualified tradespeople within the aircraft industry. You must have at least Year 10 with passes in maths, science and English. Several trade streams are available such as avionics, mechanical and structures. **Expressions of interest and applications:** <http://www.careers.qantas.com.au>.

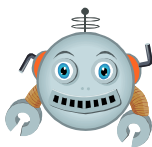

7. MELBOURNE UNI MUSIC - Two Bachelor degrees: The **B. Music** is for those pursuing a specialisation in performance, composition, musicology or ethnomusicology and those wishing to extend their education through graduate training to be music educators or music therapists. The **B. Music Performance** is for those pursuing a specialisation in improvisation and who might aspire to further graduate study. **Info:** 9685 9419, vcam-info@unimelb.edu.au or http://www.vcam.unimelb.edu.au/school_music.html.

8. RETURN TO STUDY AT DEAKIN - 'Destination Deakin' is for non-school leavers about transition into university study and student services. Speak to uni representatives about course options and receiving credit for prior learning. **When:** 6.30-8.30pm, Tues 15 Sept; **Where:** Burwood; **Info:** www.deakin.edu.au/destination.

9. WHAT ABOUT A CAREER IN MINING? In Year 10 or 11 (2009) and want to find out about earth and environmental sciences, geology, mining and minerals engineering and exploration? Then don't miss this opportunity. Applications are open for the 2010 University of NSW (UNSW) **Minerals Summer School**, a 4 day, fully residential and supervised event. Find out about **careers** and opportunities, investigate university **courses**, join **workshops**, visit **underground/surface mines**, mine **rehabilitation** sites. Commence at the University of NSW and travel to the Hunter Valley with male and female supervisors and share good quality accommodation. You should be studying subjects like chemistry, physics, maths or biology and have a genuine interest in careers in the mining industry. **When:** Mon 11 - Thurs 14 January, 2010; **Cost:** \$220 (subsidised); **Apply:** Forms in Careers Room; **Info:** www.mining.unse.edu.au, (02) 9385 5006.

10. WHAT IS MECHATRONICS? Year 11 and 12 students can experience cutting edge mechatronics technology. Participate in the following: temperature control experiments, Robotino wireless programs, Mitsubishi robot pick and place and SAGE industry demonstration of targeted technology introduction modules. **When:** 10am-3pm, Fri 25 Sept; **Where:** RMIT's Bundoora campus (Plenty Rd); **Cost:** Free (incl lunch); **Book:** www.rmit.edu.au/aero-mech; **Info:** Tim Peters, 9925 6167, timothy.peters@rmit.edu.au.

11. ZOO WORK EXPERIENCE FOR 2010 - (including Melbourne Zoo, Healesville Sanctuary and Werribee Open Range Zoo.) If you are keen to do work experience next year at one of the above, please see Mrs. Ingram ASAP to organize putting in an application.

12. HOLMESGLEN COURSE INFORMATION SESSIONS are free and provide an excellent opportunity to gain specific course information. These popular one hour sessions are open to future students, parents and career advisors. At the conclusion of each session visitors will have the opportunity to ask question and talk with course coordinators. All sessions begin at 6pm and will be held at their respective campuses. For **more information** visit www.holmesglen.edu.au To **book your place** email events@holmesglen.edu.au or call **95642608**.

13. MONASH ENGINEERING INFORMATION EVENING - an evening for prospective students and their families with academic, student and graduate speakers followed by an opportunity to talk with the presenters, course advisers and faculty staff in a 'mini Open Day' format.

This is an excellent opportunity to follow up on Open Day, or for those who were unable to attend, and of particular relevance to students in VCE considering a career in engineering.

Please register online at www.eng.monash.edu.au/prospective or call **99053404**. **When:** Thursday 10th September, 2009 **Time:** 7.00pm-9.30pm **Where:** Lecture Theatre C1, Building 63, Clayton Campus.

14. THINKING OF TAKING A GAP YEAR OVERSEAS IN 2010? - Projects still available in many amazing countries. **Apply now and choose your own incredible experience for 2010.** (Assist in hospitals & community centres in Japan; teach in Poland; work in outdoor camp in the UK; support disadvantaged communities in South Africa; teach English in Vietnam or China; lead adventures in Canadian outdoor camps)

Lattitude Global Volunteering (formerly known as GAP) is the original gap year organisation, supporting young people on unique and rewarding projects for over 35 years. Find out more at www.lattitude.org.au or call (03) 98266266.

I hope you have enjoyed the twelfth edition of the KOOWEE CAREERS NEWSLETTER for 2009. Please see me if you have any queries or require further information in relation to anything mentioned above or would just like to drop in for a chat.

PLEASE SAVE THIS AND FURTHER EDITIONS TO YOUR WORKSPACE FOR FUTURE REFERENCE!!!!!!!!!!!!!!

Talk Soon,
MRS. INGRAM.
