February 10th 2012

Dear Parent/Guardian,

Perform! Educational Musicals are attending our school on 18th April 2012. They will perform Dollars & Sense for Year 9 students - “featuring an irresistible mix of comedy, singing, dancing and student interaction.”

**Students will learn:**
- What is money
- Why do we work
- Prioritising needs and wants
- The importance of saving and budgeting
- What is investing and the miracle of compound interest
- The difference between cash and credit
- How financial choices affect your future

Students are to return the permission form below, in an envelope with their name and form, and $7 by 5th March. This is for all Year 9 classes and those which have Economics and Civics in Semester 2 as well, and will be run period one on Wednesday 18th April.

If there are any queries please ring Miss Vis or Mrs Kaitu’u at the school.

Yours faithfully,

Mrs Kaitu’u
